

## **AP 5013 - Special Admission: Applicants for Programs with Limited Enrollment or Special Entry Requirements**

---

1. Check the Chemeketa website, [www.chemeketa.edu](http://www.chemeketa.edu), or college catalog for specific programs requiring special admissions
  - a. Due to accreditation requirements, limited staff, space, and/or equipment enrollment in certain programs may be restricted.
  - b. Many career and technical education programs have special admission requirements before students can be admitted into the program.
2. Students should initially apply to Chemeketa in order to register and complete necessary pre-requisites for programs requiring special admissions.
  - a. Follow steps for admission and register for classes (PRO #5110).
3. Refer to the program's website and application for deadlines and specific instructions to complete the special admission requirements for each limited enrollment program.
4. Academic departments will review applications and notify students of admission decisions and next steps for registration
