Chemeketa Community College strives to provide quality instruction and support for all students attending post-secondary classes at the college. Students who are conditionally admitted based on the underage admissions policy are granted the same rights and have the same responsibilities as any other college student. Therefore it is required that each underage student and his/her parent review the information listed below and sign the acknowledgement indicating that they understand and accept responsibility for the decision to enroll.

1. I understand that the student must adhere to all Chemeketa Community College policies and deadlines as outlined in the college catalog and course schedule.
2. I understand that Chemeketa staff and/or faculty will not act in a parental or supervisory role to the underage student. A parent/guardian must be on campus with their underage student at all times. A parent or guardian may not attend a course in which their student is registered unless the parent or guardian is registered.
3. I understand that there could be classroom discussion or materials that the student/parent may not consider age appropriate for an underage student. Adult themes and diverse perspectives are common in the college environment, materials and dialogue. If the student or parent is not comfortable with an assignment or classroom discussion, the faculty member is not required to substitute an alternate activity or grading exercise.
4. I understand that enrollment is approved on a term by term basis and that submitting an Underage Approval Form for each term the student wishes to enroll is required. The submitted form will be approved only if deemed the course content is appropriate for the underage student. Enrollment in non-approved courses may result in the student being dropped from that course and may affect approval of enrollment for future courses.
5. I understand that, while the student will have equal access to any academic support services offered to all Chemeketa students, no extraordinary academic measures will be granted the student due to underage.

6. I understand that Federal education law, the Family Educational Rights and Privacy Act (FERPA), governs access to the records of minor students enrolled at the College. Under FERPA, parents DO NOT have the right to access students' educational records without written consent from the student.
7. I understand that the faculty member will cannot inform parents when classes are canceled at the last minute or when the class ends prior to the appointed time.
8. I understand that the student's college email is the official means of communication for Chemeketa Community College and the student is responsible for checking their email account through MyChemeketa for course updates.
9. I understand that in the event the student uses a computer, Chemeketa Community College is not responsible for content found, read, downloaded, transferred or otherwise manipulated on the Internet. All students regardless of age must abide by the Guidelines for Student Use of Computers.
10. I understand that the student is expected to comply with Chemeketa's Code of Conduct. Violations of the Code of Conduct will result in disciplinary action as outlined in the College Student Rights and Responsibilities.

I have reviewed the information listed above. I acknowledge the responsibilities and limitations as outlined.
