RE: Cancellation of Invitation to Bid (ITB) #2405 Public Safety Building #14 Seismic Retrofit

An administrative error has occurred in the solicitation process. As per OAR 137-049-0270, the college has determined that it is in the public interest to cancel "ITB #2405 Public Safety Building #14 Seismic Retrofit".

No bids received by the college have been opened. All original emails containing the unopened bids have been deleted from the college email server.

The college will be re-issuing the solicitation. All offerors of record will be notified of the opportunity to compete.
