Applicants that have not completed pre-requisites may still apply; however, may not be accepted. Priority will be given to applicants that have completed the prerequisites.

Background Check Requirement:

Applicants who are accepted into the Anesthesia Technology program are required to complete a background check per the Oregon Administrative Rule for clinical placement and as a requirement from our clinical partners. The

Immunizations Requirements:

This program requires a variety of immunizations after acceptance into the program. The following vaccines will be required:

TB Screening:

You will be required to submit **one of the following**:

- 2-step skin test
 - Test must be read after 48-72 hours
 - Second test must be received at least 1 week and no later than 3 weeks after the first test
- Blood draw
 - A QuantiFERON Gold blood draw showing a negative test result can be used to fulfil this requirement.

Notes:

If there is a history of positive TB, documentation of recent medical evaluation to certify you do not have active infectious tuberculosis will be required.

If you need the Varicella and/or MMR immunization(s), please have them done with or after the second skin test TB screening.

Measles, Mumps, Rubella (MMR)

You will be required to submit **one of the following**:

- Proof of two doses of MMR (injection) or
- Proof of positive titer (blood draw)

Notes:

If the MMR vaccine is needed, you can receive this with and/or after your **second** skin test TB screening.

This vaccine can be provided at the same time as the Varicella vaccine if needed.

Varicella (Chicken Pox)

You will be required to submit **one of the following**:

- Proof of two doses of Varicella (injection) or
- Proof of one dose prior to age of 13 (injection) or
- Proof of positive titer (blood draw)

Notes:

Documentation of having the disease is not accepted

If the vaccine is needed, it should be received with and/or after the **second** skin test TB screening

Hepatitis B (HBV)

You will be required to submit **one of the following**:

- Proof of three dose vaccine (injection)
- Proof of positive titer (blood draw)

Tetanus, Diphtheria, and Pertussis (Tdap)

You will be required to submit the following:

- Proof of vaccine within the last 10 years (cannot expire during program)

Flu

You will be required to submit **one of the following**:

- Proof of seasonal flu vaccine
 - Vaccine documentation must include
 - Location/facility received
 - Date of injection
 - Site of injection
 - Lot# and VIS#
 - Expiration date
- [Declination Form \(click here\)](#)

Notes:

The Flu vaccine is required during the flu season and is usually due by October 1st of each year. If a declination form is submitted, a mask must be worn while at a clinical facility.

COVID-19

You will be required to submit **one of the following**:

- Proof of vaccine
- [Declination \(click here\)](#)
- [Medical Exemption \(click here\)](#)
- [Religious Exemption \(click here\)](#)

CPR Requirements:

Per Oregon Administrative Rule, the Anesthesia Technology program requires a valid American Heart Association (AHA) Basic Life Support (BLS) provider level course.

Oregon Administrative Rule (OAR) – Clinical Requirements:

The OARs that Chemeketa's Anesthesia Technology program follows can be found by following the link below.
<https://secure.sos.state.or.us/oard/displayDivisionRules.action?selectedDivision=1662>

Technology Requirement:

Students will need to have access to a computer with high-speed internet access and a printer. Electronic technology is used extensively in the presentation of content throughout the Program. If students do not possess their own equipment, they should plan to spend at least ten hours per week utilizing on-campus computer lab and/or library resources.

Student Accessibility Services:

Students should seek accommodation advice as soon as possible after admission to the **Choose an item.** so that a plan for accommodation can be in place at the beginning of the program.

Contact the Office of Student Accessibility Services (see details below) to discuss the process of identifying reasonable accommodation.

- Location: Building 2 Room 174
- Telephone 503.399.5192
- Email studentaccess@chemeketa.edu

Reasonable accommodation will be directed toward providing an equal educational opportunity for students with disabilities while adhering to the standards of Anesthesia Technician practice for all students. If a student is dissatisfied with any outcomes from Student Accessibility Services, they may appeal the decision through the Dean of Health Sciences.

Disclosure of Student Information:

In compliance with the Family Educational Rights and Privacy Act (FERPA), Chemeketa Community College releases only very limited information regarding students. All students, including those who have filed a Request for Non-Disclosure of Student Information Form, should be aware that some confidential information may be shared.

Contracts with many practicum placement sites require that the criminal background check, drug testing information, and immunization records may be made available about students placed at these sites. This information is needed for the purposes of student and patient safety.

Every effort is made to limit access to confidential student information to those who have a need to know. For more information regarding Non-Disclosure of Student Information, contact Enrollment Services at 503 399-5001
